Empresa optante do Simples, com emissão de nota fiscal eletrônica.

Porto Alegre, 27 de março de 2026.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures that the financial statements are reliable and can be audited without any issues.

In the second section, the author outlines the process of reconciling the bank statements with the company's ledger. This involves comparing the opening and closing balances, as well as the total debits and credits for each month. Any discrepancies should be investigated immediately to identify the cause, such as a bank error or a missing receipt.

The third part of the document focuses on the preparation of the monthly financial statements. This includes the profit and loss account, the balance sheet, and the cash flow statement. Each statement provides a different perspective on the company's financial performance and position.

Finally, the document concludes with a summary of the key points discussed. It reiterates the importance of accuracy, transparency, and regular reconciliation in financial management. The author also provides some tips for streamlining the accounting process and reducing the risk of errors.

## ETIQUETAS DE PATRIMÔNIO

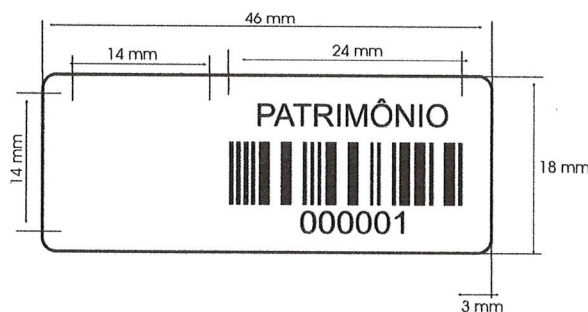

**ABAKAM**

Empresa voltada à comercialização de **Etiquetas Metálicas** de Patrimônio com Código de Barras, Logotipo Colorido.

Experiência em Controle de Patrimônio, aliada ao completo conhecimento em automação, busca eficiência através de meios de alta tecnologia para atender as necessidades do mercado, colocando à disposição de médias e grandes empresas a possibilidade de agilizarem seus processos de controle.

**CONTROLE SEU PATRIMÔNIO COM CÓDIGO DE BARRAS HOJE, PENSANDO NA NECESSIDADE DE AGILIDADE AMANHÃ.**

Agilidade, redução de tempo e custo, aumento de qualidade e confiabilidade nas informações, são fatores que estão estimulando cada vez mais o investimento em automação com código de barras.

## OBJETIVOS FUNDAMENTAIS PARA ADOÇÃO DO PROCESSO DE CONTROLE DE PATRIMÔNIO ATRAVÉS DE ETIQUETAS METÁLICAS COM CÓDIGO DE BARRAS.

- Mudar procedimentos antiquados que já não condizem com o avanço e a tecnologia de hoje;
- Manter o cadastro dos bens sempre atualizado, devido alterações constantes dos bens em movimento na empresa;
- Coletar automaticamente dados de patrimônio, agilizando informações, reduzindo ao máximo as possibilidades de erros;
- Criar estrutura ágil e eficaz usando Coletores / Leitores Portáteis de Dados;
- Definir melhor os Centros de Custo para que, a alocação das despesas de depreciação sejam direcionadas aos departamentos específicos.
- Gerenciar o Imobilizado com consciência, dando a importância que o Patrimônio da Empresa merece.
- Modernizar e atualizar a empresa que estiver preparando-se para a Qualidade Total - QT. ISO 9002;
- Adotar o Processo de Controle de Patrimônio com Código de Barras é uma realidade que administradores modernos, eficientes e de visão, estão optando.
- **Executar Revisões Patrimoniais com mais frequência em intervalos menores, propiciando REDUÇÃO DE ATÉ 80% DO TEMPO.**

**Obs. Importante: Mesmo que a empresa não venha a usar o controle com Código de Barras no momento, é importante desde já, fazer um serviço de etiquetamento com as Etiquetas Metálicas com Código de Barras, contém o número do código, possibilitando um serviço normal que em futuro próximo, quando da adoção do novo sistema, estará com o processo de Código de Barras já implantado, disponível.**

\*\*\* **Observação:** Caso exista interesse da empresa, após o fornecimento do logotipo, elaboramos um “layout” modelo, para aprovação antecipada por escrito, baseada na apresentação real do produto oferecido ou enviamos amostras que possuímos.

## PONDERAÇÕES ADICIONAIS:

### 1. Referente estética do produto:

Nossos padrões seguem um “layout” exigido pela ISO9002, sendo, profissional e estético para fixação em locais adequados em móveis e utensílios, máquinas e equipamentos, como outros.

### 2. Referente complementos e fixação:

Devido nossa experiência, empresas de consultoria e assessoria usam em mais de 90% dos serviços executados:

**Complementos: Etiquetas metálicas sem furos e sem adesivos. Sem acréscimo substancial no custo total.**

**Fixação: Sugerimos – Adesivo para junta de Motores Diesel 3M / Brascoflex / Superflex, (possível adquiri-las em qualquer loja de auto-peças ). Super aderente para qualquer tipo de superfície e temperatura.**

**Caso do cliente desejar, fornecemos as etiquetas já com adesivo dupla face.**

### 3. Referente Scanner - Coletor / Leitor de Dados de Código de Barras.

Obs.: O coletor e Leitor de Dados, não necessariamente devem ser adquiridos neste momento, **sua necessidade maior se dará quando da primeira REVISÃO PATRIMONIAL**, não aumentando o custo simultaneamente com as duas aquisições, etiquetas e coletor(es) / leitor(es).

# THE HISTORY OF THE UNITED STATES

The history of the United States is a story of growth and change. From the first settlers to the present day, the nation has evolved through various stages of development. The early years were marked by exploration and settlement, followed by a period of rapid expansion and industrialization. The American Revolution and the Civil War were pivotal moments in the nation's history, shaping its identity and values. The 20th century saw the United States emerge as a global superpower, with significant contributions to science, technology, and culture. Today, the United States continues to face new challenges and opportunities, and its history remains a source of inspiration and guidance for the future.

## THE EARLY YEARS

The early years of the United States were a period of exploration and settlement. The first European settlers arrived in North America in the late 15th and early 16th centuries. They established colonies and began to build a new society. The Pilgrims, who arrived in 1620, were one of the first groups of settlers. They faced many hardships, but they persevered and eventually established the Plymouth colony. Other groups of settlers followed, and the population of the colonies grew rapidly.

The early years were also a period of conflict. The American Revolution (1775-1783) was a war for independence from Great Britain. The colonists fought for their right to self-governance and eventually won. The Constitution was drafted in 1787, and the United States became a new nation. The Civil War (1861-1865) was a war between the North and the South over the issue of slavery. The Union emerged victorious, and slavery was abolished. The 20th century saw the United States emerge as a global superpower, with significant contributions to science, technology, and culture. Today, the United States continues to face new challenges and opportunities, and its history remains a source of inspiration and guidance for the future.

The early years were a period of growth and change. The population of the colonies grew rapidly, and the economy began to develop.
